

**The South African Institute of Marine Engineers  
& Naval Architects**

**April General Paper**

**We are pleased to confirm our April general paper to be presented on Wednesday 20 April 2016 at our usual venue.**

**The speaker for the evening will be Mr. Edwin Bosen of Voith Turbo Marine Germany, arranged through their local agent Mr. Graham Russell of Integrated Ship Handling.**

**Mr. Bosen's presentation will illustrate the evolution of their new highly technical products and also highlight the new RAVE/CRT tug, a collaboration between a world famous designer and Voith**

**Snacks and post talk drinks have been sponsored by Mr. Russell.**

**If you know of any members who are not receiving notices please forward their email addresses to sender.**

**Date: Wed 20-04-2016  
Venue: Berea Rovers Club  
Time: 17h30 for 18h00**

**Brian Fynn  
Durban Branch Secretary**
