RESURRECTION OF TWO OCEANS JOURNAL (TOJ)

SAIMENA is pleased to announce that the popular TOJ is to be restarted, primarily as an electronic publication.

Iain Armstrong assisted by Org Niewoudt have agreed to act as editors and publishers of the TOJ.

All members are requested to forward articles and matters of common marine interest to the following address:

saimena.toj@webafrica.org.za

The successful publication relies upon the input and support from our members.

As a service to our SAIMENA members who are not on email, they may approach the Honorary Secretary to request a printed copy of the TOJ. This will be considered, possibly at an additional cost for mailing the journal.

Please address your interest for a printed copy to the Hon Sect at:

4 Gerrie Ave
Tokai
7945, South Africa

Yours sincerely,

.....
Kevin Watson
Honorary Secretary
