Guaranteed System Excellence

IT 4 INDUSTRY

Guaranteed System Excellence

Our Vision

To be the No.1 Industrial Automation Solution Provider in Southern Africa where we aspire to enhance quality of life for all through lasting relationships.

Our Mission

SSE's mission is to provide Guaranteed System Excellence through the following means:

Clients:

To retain and expand our client base by providing superior products, solutions and a high level of service.

Economic:

To optimally operate the company on a sound financial basis of profitability and growth through ethical business practices. To increase the value for stakeholders and create opportunities and financial reward for all employees.

Products:

To develop and produce reliable, quality solutions that will fulfill and exceed the needs of our clients

Employees:

To attract and retain highly motivated employees who are proactive, accountable, responsible, friendly, productive, disciplined and willing to grow the company.

Social:

To successfully contribute to the South African economic environment. To actively promote God's kingdom, by assisting people in finding their ultimate purpose in life.
